Hello and welcome back to another school year with the Santa Ysabel Tribal Youth. Well Summer is officially over and what a busy summer we had, ITS softball in which our A team took the Championship Trophy, Beach days, La Jolla Campout, Balboa Park, and so many other places. Now it is back to getting good grades and homework.. This year a few changes have occurred for Julian students. Every Wednesday is a minimum day and all youth will be dropped off at 2:55 at the Cauzza Ranch.

The Tribal Youth are selling Salsa for a fundraiser, the jars are \$10.00 per jar but just to let everyone know all the ingredients were grown in the youth garden so come on in and purchase some good Salsa.

There will be tutorial everyday Monday thru Thursday, but are encouraging the students to come on a daily basis so they can get help with any homework, activities, research on the internet, book reports and anything else that they need to help along with their school studies.

Indian health will also still be joining us for Prevention through the school year as well.

And one last note, we are in need of snack donations for the youth for the school year. Please donate as we do not provide snacks due to our new grant policies. If you cannot donate please send in a snack for your child.
